Professor of Education

Imitation is the result of real admiration. . .

At West Georgia College is a group of people worthy of our admiration. We see them in the halls, chat with them in the store, eat with them in the dining hall, and visit them in their homes, not to mention listening to them in class. We, unconsciously, find ourselves imitating their actions.

These people we have come to know, respect, and genuinely like and admire because they have been teachers of individuals rather than teachers of just subject matter. With their sympathetic understanding and wise counsel, they have guided us through this year.

It is with great respect and pleasure that we present THE FACULTY of West Georgia College.

"Sh-h-h, quiet."

"What's cooking?"

Picture schedule on bulletin board. . . postponed due to rain. . . late for picture appointments. . . photos and snaps not in. . . out of copy sheets. . . raining again. . .

It didn't take the staff long to realize that all doesn't run smoothly in the making of a yearbook. What would we have done without the very capable help of Dr. Adams. Almost any day you could find. . .

Helen and Lu with their room piled sky-high working on dummy pages and even feeling like dummies themselves. . .

Max and Joel frantically arranging to have last minute pictures made. . .

Bobbie's business staff of Nancy and Ann making daily visits to town (Many thanks also should go to Bill and Cecil). . .

Bobby G., La Verne, and Lee busy with names, hometowns, and clubs. . .

Ruth getting faculty data. . .

Jack and Cecil in the dark room. . .

But it all brought the desired results. . . And the entire Chieftain staff wishes to say that if this annual will help to recall pleasant memories of this year, then every minute was well worth it.

The main purpose of deputations is to provide fellowship between colleges. The movement is new but the idea is old. Boys and girls have been visiting other colleges and sharing past experiences and gaining new ones for many years. They are made possible by the common belief in God and the fellowship of Christ.

West Georgia College has been receiving these deputations for several years but this will be the first time they will attempt to send deputations. We have an invitation to visit LaGrange College on February 25 and are making plans to do this. We are also receiving a deputation from the University of Georgia on April 22 and 23.

Rev. Durden ... Series of Mes...

The past three Sunday evening Vesper services have been rewarding experiences for the numbers of students who have attended them. Not one who has heard the guest speaker, who has been delivering a series of messages embracing the subject, "Belief in God," has failed to receive more than a full measure of spiritual satisfaction. The person who is bringing these messages to our campus vesper service is Mr. D. William Duden, Lay Reader at St. Margaret's Church in Carrollton.

Mr. Durden was born twenty-six years ago in Macon, Georgia, and a few years later his family moved to Atlanta where he has resided ever since. He completed his elementary schooling in Atlanta, his high school training at Riverside Academy at Gainesville, his college work at the University of Georgia at Athens and graduate work at Columbia University in New York. He has a wonderful tenor voice and while at Georgia he made several concert tours over this and neighboring states. After graduating from the University he joined the San Carlos Opera Company and was with them one season.

Mr. Durden than taught foreign languages in the Atlanta school system, Riverside, and the University of Georgia before going to work for the Southern Bell Telephone and Telegraph Company where he now holds a high position in the general traffic department over the nine southeastern states in which Southern Bell operates.

Mr. Durden's wife, Marjorie,

Guatemalan Educator To Visit West Georgia

Sn. Alberto Arreaga of Guatemala will visit the West Georgia Campus on January 30 through February 1. He is visiting this country under the auspices of the Institute of Inter-American Affairs. In making plans for his visit in America the Institute asked Miss Jane Franseth of the United States Office of Education in Washington, D. C. what school Sn. Arreaga should visit to study rural education in America and she made the following statement, "I believe that Sand Hill, Tallapoosa, and Oak Mountain are still the best rural schools in the United States."

Sn. Arreaga is chairman of the Committee on Education in the National Congress of Guatemala. He is also a professor of mathematics in Guatemala City and is in the United States on a two-month travel grant of the Institute of Inter-American Affairs under its provision of travel for "distinguished educators." Although a native Guatemalan, he speaks English fluently.

While Sn. Arreaga is in the county, he will study the work of the 4-H Club and see what it is doing along the lines of improving rural life in this area.

Ingram's Entertain Faculty At Dinner

President and Mrs. I. S. Ingram entertained the members of the faculty and staff of West Georgia College and their wives and husbands with a dinner party at the Sunset Hills Country Club on Wednesday night, January 18. Covers were laid for approximately forty-five guests.

Pittman Implies Future Order At Zeta Sig

The failure of labor to recognize the social value of recent inventions was the keynote of the address made by Professor Brooks O. Pittman at the January fifth meeting of Zeta Sigma Pi. Mr. Pittman pointed out that man has resisted change since the industrial revolution, and that England even issued a royal decree against the installation of the modern telegraph. He added that John L. Lewis has done virtually the same thing with equally as little success, in that his resistance to arbitration of labor disputes has merely promoted conversation of mechanisms from coal to petroleum burning and has greatly weakened his control over coal miners. The fact that the Southern cotton farmers refused to recognize the abdication of King Cotton has put them in the position of being the lowest cotton producers in the United States, while California, realizing the value of modern agricultural mechines and methods, has over-shadowed the former success of the Southetast in cotton producing.

Mr. Pittman spoke to an audience of some thirty-five students and faculty members, all of whom, by their membership in Zeta Sigma Pi, indicated an interest in social problems.

DEAN'S LIST

According to the registrar's office, one hundred six students were named on the Dean's List at West Georgia College for the fall quarter. This was one-fifth of the total enrollment, which stands now at 500. To make the Dean's List, a student must have an average of 87 or above, or a B plus average.

Following is a list of these students:

BASKETBALL GAMES

The West Georgia Braves open-

Braves made quite a show of it for more than three quarters, but then they went to pieces and gave the Atlanta team just too much of a lead to get back in the game, even with a tremendous surge in the closing minutes of the game. Bob Garrett scored thirteen points and Green Williams scored eleven to lead the scoring for the West Georgia team. High scorers for the University were Bloodworth and Hays with 18 and 16 talleys to their credit respectively.

West Georgia came back to Carrollton for their next game and

Just to show what is meant by a "balanced team" look at the individual scoring records for West Georgia's starting five: Thompson, 9; Garrett, 8; Vic Goebel, 7; Williams, 9; and Massey, 9. If you will add those figures you will come to the grand total of 42 which is the West Georgia score. The high scorers for Berry were Wilson with 19 points and Mizell with 11.

"Our Braves"—Greenwood, Sarrett, Adams.

BREVARD (0) WEST GEORGIA (0)

The Braves started off the season in Griffin against a powerful Brevard Junior College team from Brevard, North Carolina. WGC played a hard-fought game and was especially sparkling in its masterful defensive play. Using the two-platoon system, the Tribe's defensive team kept the Blue Tornadoes from scoring.

GORDON MILITARY COLLEGE (12) WEST GEORGIA (0)

The West Georgia offense had improved a good bit in this game, but a number of fumbles and an intercepted pass gave the Bulldogs a decided edge.

GEORGIA MILITARY COLLEGE (60) WEST GEORGIA (6)

It was practically a lost cause in this game with GMC. The Cadets, already sited as a possible candidate for a Bowl, scored practically at will. The Braves hopes were boosted somewhat, however, when Bill Cole, WGC halfback, crossed the double stripes for the Tribe's first score of the year.

MIDDLE GEORGIA (7) WEST GEORGIA (13)

Here the Braves finally got in the win column. West Georgia for the first time during the year really began to click. J. W. Greenwood scored the first tally for the Braves when he caught a short pass from WGC quarterback, Grover C. "Hot Shot" Adams and raced to pay dirt 55 yards away. The point after touchdown was in vain. Middle Georgia came back in the third quarter to score off a pass from the WGC 10. The conversion put them ahead 7-6. In the waning minutes of the final stanza the passing arm of "Hot Shot" Adams again spelled a TD for the Braves when he shot out a forward to Bill Reed, end, from the MGC 20 yard marker. Billy Hayes kicked the pigskin through the uprights to put the score at 13-7 in favor of the Braves.

CHIPOLA (40) WEST GEORGIA (7)

A multitude of long runs piled up to give the Braves a thorough stamping at the hands of the Chipola Junior College team from Marianna, Florida. The West Georgia score came off a pass to Burnell Payne, the WGC end. Hayes' extra point was good.

MARION INSTITUTE (19) WEST GEORGIA (7)

This game was full of bad breaks for the Braves. Trailing 7-0 in the second quarter the Braves made a 78 yard sustained drive down to the Marion four yard stripe and were unable to cross the goal line. In the third quarter when the Cadets made two TDs, the scoreboard read 19-0. In the final quarter James Massey, Brave halfback, plunged over from the 2 yard line to give the Tribe its only score and Hayes' extra point was good.

Better beware! !

Good for an extra point.

HIWASSEE (44) WEST GEORGIA (12)

The Tigers from Madisonville, Tennessee, wasted no time in out playing and outscoring the Braves in this game. The two West Georgia touchdowns came off a run by fullback Bill Cole for 52 yards and a pass from Bill Allison, quarterback, to J. W. Greenwood which was good for 49 yards and a TD.

ST. BERNARD (20) WEST GEORGIA (13)

The Braves trailed 20-0 at the half but got on the scoring train and pushed across 13 points in the last two quarters. The touchdowns came off an intercepted lateral by Kenneth Minor, and a pass by Burnell Payne to J. W. Greenwood who raced 21 yards for the score.

SOUTH GEORGIA (45) WEST GEORGIA (0)

In this final game of the season, the South Georgia team rolled up 45 points rather easily and also a great margin in the statistics. The Braves were completely unable to hold the boys from Douglas.

One win, seven losses and one tie—these scores do not sound very impressive but they were backed up by a high-spirited team who never gave up and kept fighting to the very end.

Coach Welch reviews the plays.

MORALE-BOOSTERS CHEER TEAM

Led by their spirited captain, Freddie Boswell, the vigorous voices of our peppy cheerleaders never failed to boost us over the rough spots. We can never forget their faithfulness, for without them our games would have been incomplete.

With the close of football season everyone began to look expectantly to basketball. In the first games of the season the boys showed enthusiasm and cooperation. With our coach and this fighting team, we have every reason to look forward to a successful season.

MODERN DANCE

Rhythmic expression in the form of modern dance and folk dance is developed by the girls in these activities. The blow of a whistle from the gym reveals basketball practice or a lively volley ball game. On a sunshiny day you would find girls engaged in tennis, hockey, archery, golf, or softball.
